台北扶輪社

### **Chartered on**

Dec. 5, 1997, the Rotaract Club of Taipei is the brain-child of the Rotary Club of Taipei, Taiwan's first Rotary Club chartered in 1948 and Taipei's sole English-speaking Rotary Club. As such, the Rotaract Club of Taipei aspires to be Taipei's 1st bilingual Rotaract Club functioning in both English and Chinese.

Our club consists of college students and young professionals from a wide range of industries and academic backgrounds. The cultural and ethnic diversity in our club provides us with the privilege of coordinating events that accommodate diverse needs and multiple cultures. Remarkable past events include voluntary service at the Clean Up the World event and Creation Social Welfare Foundation, guest speeches given by industry leaders with topic ranging from Arts to VC's, and many other laudable events and service projects.

As the purpose and goals of Rotaract go, we continue to enhance personal development, to address the physical and social needs of the communities, and to promote better relations between all people worldwide through a framework of friendship and service. We aim to accomplish these goals in an environment that promotes mutual respect and understanding through the fostering of long-lasting friendships.
