

## Attendance and Make-up

Regular attendance is essential to a strong and active Rotary club because each member represents his/her own business or profession, and therefore, the absence of any member deprives the club of the values of its diversified membership and the personal fellowship of each member.

A member shall be counted as attending a regular meeting if the member

1. is present for at least 60 percent of the meeting, or
2. is present and is called away unexpectedly with a good reason approved by the board later, or
3. makes up for an absence within 14 days before or after the meeting in any of the following ways:

(1) attends at least 60 percent of the regular meeting of another club / provisional club or of a Rotaract or Interact club, RI convention, District conference, club /district committee meeting, board meeting, club-sponsored service project, etc.,

(2) is present at the usual time and place of a regular meeting of another club for the purpose of attending such meeting, but that club is not meeting at that time or place; or

(3) participates through a club web site in an interactive activity requiring an average of 30 minutes of participation.

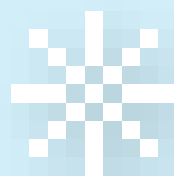

When a member is outside the member's country of residence for more than fourteen (14) days, the time restriction shall not be imposed so that the member may attend meetings in another country at any time during the travel period, and each such attendance shall count as a valid make-up for any regular meeting missed during the member's time abroad.

According to our club constitution, a member must

(1) attend or make up at least 50 percent of club regular meetings in each half of the year;

(2) attend at least 30 percent of this club's regular meetings in each half of the year.

If a member fails to attend as required, the member's membership shall be subject to termination unless the board consents to such nonattendance for good cause.

Unless otherwise excused by the board for good and sufficient reason, a member who fails to attend or make up four consecutive regular meetings shall be informed by the board that the member's non-attendance may be considered a request to terminate membership in this club. Thereafter, the board, by a majority vote, may terminate the member's membership.
